Re: Stipends for GME Sponsored Residents and Fellows for FY25

**Resident Stipends – FY25**

As has been noted in past years, in order to meet all regulatory requirements, resident stipends fall under a uniform salary structure:

PGY1	\$73,015
PGY2	\$77,234
PGY3	\$79,898
PGY4	\$83,530
PGY5	\$87,161
PGY6	\$88,978
PGY7	\$92,383

**Please provide a letter of explanation for a proposed stipend that differs from the appropriate PGY above. The letter should be sent to the GME Office prior to delivering a contract to the individual.**

The explanation should explain the circumstances for which a departure from standard levels is necessary. The GME Office may seek further advice from the Medical-Legal Department. The purpose of this is not to unnecessarily restrict department flexibility, but to ensure that basic fairness is demonstrated and that the Medical Center is in compliance from a regulatory and legal standpoint.

The GME office will use a 5% above or below the recommended stipend level targets for non-ACGME accredited fellows.
